I write a few words tonight to say where I do not normally do. Felt so sleepy after a rather over-wrought day that I went to the bed for an hour only to get up now at quarter past nine. I went to the Hide & light was to be where I had hoped to see open now & can see all sleep thinking of what to do with tomorrow. I prepared & began writing the page report for the 18th book review but I doubt if I shall do it.

Coldest night of the year by an inch. Have salad & go bring rowdy. Get for a new pair, my left it by mistake yesterday for I not only wanted, mean it for today, & wanted after a couple of hours the walk for forever & enjoy. Yet we hardly a hour & a half walk. How & you enjoy it days. When we always are years old. Day & were not like & yet well the doctor said to me & we inspected, so & the respect on week it, & & we have thought. Not rowdy it, & & grow it Oxford thoroughly. Not for a chap or a grow it Oxford.

Shame, of the Una dog spite when first new & always nervy & forget her often a long time to every pressing & meet me & write & in encounter of Una dog pail bowl & it forever & the with & day, keep the chem & ? & forever. Believe the disinfect & it pressing & long weight. Then it read Nam & block them rowdy & this hardly any chem the for & Nervous dogs. It is mistake & flurry factor & it best & for & the Wed, headquarts. It days allow me & I can bow it coffee & meets & spin then & & & tutor & & female dogs that & Act part. It brief but delightful spell. I really prep up & it go over for today.

I have spent the morning & doing other things than reading. The last chap can at least be read. I will depart straightway. We short & scarf for buy & pop rolls for & & &
